### Season's Greetings & Happy New Year!

On behalf of Star City Town Council, we join together in wishing you All the best in 2022!

It goes without saying that we are beginning a new year. And many people will recognize this time of year, as a time to begin anew.

This is a time to acknowledge those we often pass over.

**Thank you** to the Star City Volunteer Fire Brigade. We have enjoyed a year of growth and respect for what you do to protect our community.

**Thank you** to the organizations such as the Star City Elks & Royal Purple, for doing what you could this past year to continue to serve the community.

**Thank you** to the Star City Legion who continue to do what they can to have a presence in our community. You are good neighbours to us and we value your presence!

To the teachers of Star City School and staff; to the businesses and post office staff; to the churches of our community...**we are grateful** for your service and your ability to 'hang in there' through this pandemic. You have all helped to ensure that our community has a 'heart beat'.

**Thank you** to those who sit on the Star City Skating Rink operations committee and to our facility manager; who continue to provide strong leadership and management.

**Thank you too**, for a well run rink kitchen that warms us up and keeps us moving...we couldn't do it without all of you.

**Thank you to the residents of Star City** who have shown patience with us, through some challenging times in 2021. You help to make us "The Brightest Little Star in the northeast".

And finally, but by no means the least of our '**Thanks**' goes to our amazing staff who always put their heads down and get the work done - no matter the challenge. They are the ones who ensure that our focus remains on the future for Star City.

Wishing you Health, Happiness & Contentment in 2022.  
Enjoy a Very Happy New Year!

Sincerely,  
Beth Baerwald,  
Mayor,  
Town of Star City

### WINTER REMINDERS!!

Please remember the following as we head into the winter months ...

~ Park vehicles in driveways and **NOT** on the streets or boulevards during winter months to ensure the grader can get through for snow removal. If you need to park on the streets, please have your vehicle moved after a big snow fall so it does not get blocked in by the snow plow.

~ Remember to bring in your garbage/recycle bins off the streets once they have been emptied to allow for the proper snow removal

~ When removing snow from your property, please be considerate of your neighbors and do not blow into their yards. Also do not push snow onto the streets from your driveways/walkways.

~ The driveway wing, when lowered should reduce the amount of snow left on driveway approaches but it will not eliminate a snow ridge. Unless this ridge is quite significant (more than 12 inches) staff will not return to remove it - this also applies to the ridges left in the back alley. Anything less than 12 inches is to be removed by the homeowner.

~ **ATTENTION PARENTS:** Please make sure your kid(s) don't play on the snow ridges alongside the streets. This may be dangerous as they may slip off as a vehicle is passing by or when the town is pushing up snow they may not be seen. Please play safe.

~ Please remember to drive slowly and watch for kids at play!
