### MAYOR'S MESSAGE

Spring is in the air!...and with it comes water and puddles. Perfect for our younger community members to play in. Please remember that they are focused on their own interests and may not be looking out for traffic, as they should. Please watch for them as they appear on their bikes or at play.

This past month has seen our little town gain some notoriety. And while not the kind that we care to see again; on behalf of council, I would like to recognize the Star City Volunteer Fire Brigade and 'all' who assisted the night of the hotel fire. It has been a reminder to all of us, to check smoke detectors and become aware of the necessity for fire extinguishers in our homes. Even though these things may not have saved the Queens Hotel, it has made us aware that we are not exempt from such catastrophes.

In the coming months we will keep you informed as to the opening of the Star City Arena, as information becomes available to us. Please know that contrary to information out there, we do recognize our most valuable neighbors in the surrounding rural area and intend to include them as we move forward.

We work to ensure the safety of all the residents of Star City and in doing so ask that you do your part. If you see someone/something that looks suspicious, please contact our locate RCMP. Office staff cannot report on your behalf.

Thank you for continuing to follow the COVID safety guidelines. Wear your mask, social distance, and wash your hands. It takes all of us to make this work! Enjoy a safe and happy spring!

Beth Baerwald,  
Mayor,  
Town of Star City
