WINTER REMINDERS!!

Please remember the following as we head into the
winter months ...

~ Park vehicles in driveways and NOT on the streets or
boulevards during winter months to ensure the grader can get
through for snow removal. If you need to park on the streets,
please have your vehicle moved after a big snow fall so it does
not get blocked in by the snow plow.

~ Remember to bring in your garbage/recycle bins off the
streets once they have been emptied to allow for the proper
snow removal

~ When removing snow from your property, please be
considerate of your neighbors and do not blow into their
yards. Also do not push snow onto the streets from your
driveways/walkways.

~ The driveway wing, when lowered should reduce the
amount of snow left on driveway approaches but it will not
eliminate a snow ridge. Unless this ridge is quite significant
(more than 12 inches) staff will not return to remove it - this
also applies to the ridges left in the back alley. Anything less
than 12 inches is to be removed by the homeowner.

~ **ATTENTION PARENTS:** Please make sure your kid(s)
don't play on the snow ridges alongside the streets. This may
be dangerous as they may slip off as a vehicle is passing by or
when the town is pushing up snow they may not be seen.
Please play safe.

~ Please remember to drive slowly and watch for kids at play!
