Skating Rink Update:

Just to update everyone on the status of the skating rink. After the Minor Sports Association decided not to run the skating rink for the 2018-2019 season, the town took up the challenge. We were faced with a few hurdles at the beginning. But with the help of volunteers the ice was put in, building repairs were done and the scheduling process began. Our rink has been busy this year with both Melfort and Tisdale Minor Hockey utilizing the rink for practises, games and tournaments. All indications point towards a cost recovery situation and we are not operating at a deficit. Public skating is free admission and is generally held Sundays (as scheduling permits). We encourage everyone to go for a skate or take in a hockey game. The town continues to search for a new group to take over the running of the skating rink for the 2019-2020 season. If you or your group are interested in taking up this worthwhile endeavour, please contact the Town Office.

Next Council Meeting will be held on
Monday, March 11th
