WINTER REMINDERS!!

Please remember the following during the winter months ...

~ Park vehicles in driveways and NOT on the streets or boulevards during winter months to ensure the grader can get through for snow removal. If you need to park on the streets, please have your vehicle moved after a big snow fall so it does not get blocked in by the snow plow.

~ Remember to bring in your garbage/recycle bins off the streets once they have been emptied to allow for the proper snow removal

~ When removing snow from your property, please be considerate of your neighbors and do not blow into their yards. Also do not push snow onto the streets from your driveways/walkways.

~ The driveway wing, when lowered should reduce the amount of snow left on driveway approaches but it will not eliminate a snow ridge. Unless this ridge is quite significant (more than 12 inches) staff will not return to remove it - this also applies to the ridges left in the back alley. Anything less than 12 inches is to be removed by the homeowner.

~ **ATTENTION PARENTS:** Please make sure your kid(s) don't play on the snow ridges alongside the streets. This may be dangerous as they may slip off as a vehicle is passing by or when the town is pushing up snow they may not be seen. Please play safe.

~ Please remember to drive slowly and watch for kids at play!

A reminder to snowmobilers ...

Please make sure to use the most direct route in and out of town when operating your snowmobile & make sure to wear a helmet. Have fun & play safe!!
