COMPOST & TREE BRANCHES

Just a friendly reminder that when trimming trees in your yard, please stack them on the boulevard, piled parallel to the road, in no more than 8-10 ft. lengths

****IF BRANCHES ARE NOT NEATLY PILED OR ARE TOO BIG TO BE PICKED UP BY OUR PUBLIC WORKS EMPLOYEES, CHARGES MAY BE APPLIED.**

Also, we have compost bags available at the Town Office free of charge to residents for grass clippings, leaves, pinecones, garden scraps etc.

HOUSE NUMBERS

As we move forward with projects around town we are noticing some house number issues. (Missing numbers, incorrect numbering, fading, etc.) If you have incorrect numbering on your house you will be contacted by the office

Correct house number are important in case of emergencies, for water reads & will be used for our new garbage collection system. Thank you.
