# JULY

## 2019 NEWSLETTER

HAPPY  
**CANADA**  
DAY 

Next Council Meeting:  
Monday, July 15th @ 6:30pm

Compost bags are available free of charge at the Town Office. Please keep them at a manageable weight and remember no rocks or garbage!

Branches should be stacked on the boulevard piled parallel to the road in no more than 8-10 foot lengths. The reason we like to have them alongside the boulevard is for easy access and removal. Removal with the skid steer can damage boulevards so keeping them on a harder surface makes it easier for everyone. 

**SCRAP METAL!?!** There have been many residents asking if we are doing the metal pile again this year ... The Town **will not** be having a metal pile but the Star City Auto Body & McDonald Metals are working together and collecting scrap metal. If you have scrap metal you can drop it off in the green container located at the Star City Auto Body.

**\*\* ONLY METAL IS ALLOWED IN THIS BIN! \*\***

Cameras are on premise. Please respect the rules!

### ATTENTION!!

Automated External Defibrillator (AED) are available with the Town of Star City at the following locations in case of an Emergency.

- Skating Rink (during regular season)
- Town Office (during skating rink off season)

**NOTE TO RESIDENTS:  
SEWER BLOCKAGE POLICY  
POLICY NO. 18-01 – HAS BEEN CANCELLED  
AS PER RESOLUTION 280-2018**

Please note that it is the homeowner's responsibility in the removal of any blockage in the ratepayer's sewer lines. The sewer lines are solely the ratepayer's responsibility as the Town has no control what ratepayers put down the sewer. Please contact a plumber if needed at your own expense. If you have any questions, please contact the Town Office.

### **ATTENTION!! RECYCLE UPDATE**

IN ORDER TO CONTINUE PROVIDING SERVICE, IT IS NOW NECESSARY TO LIMIT THE MATERIAL BEING PLACED INTO THE BINS FOR RECYCLING. **EFFECTIVE IMMEDIATELY THESE ITEMS WILL NO LONGER BE ACCEPTED:**

### **CRITTERS IN TOWN .... !!**

We have had a number of raccoons wandering throughout town. Please follow some of the guidelines listed to help keep critters out of town:

Don't keep cat & dog food outside  
Keep your garbage bags inside proper containers

Clean your garbage cans on a regular basis – during the summer months when things heat up, garbage cans can get really stinky!!

Please contact the Town Office if you see any raccoons with the location of the sighting as soon as sighted so we can relocate them.
