Compost bags are available free of charge at the Town Office. **Please keep them at a manageable weight** and remember no rocks or garbage! Compost is scheduled to be picked up Monday & Wednesdays (if time & weather permits)

Branches should be stacked on the boulevard piled parallel to the road in no more than 8-10 foot lengths. The reason we like to have them alongside the boulevard is for easy access and removal. Removal with the skid steer can damage boulevards so keeping them on a harder surface makes it easier

If you are interested in being a volunteer for this year's Family Fun Day please call the Town Office @ 863-2282. 😊😊😊

**Community Pride Starts at Home!** We are fortunate to have many visitors over the summer months. And while it is nice to show off our community to them, let's also remember that 'we' see it every day. Let your pride show and trim up your yard, paint the fence or do whatever it is that you've been putting off. Let's show our visitors and each other, that we are proud of our little piece of the universe. Commissionaires will be visiting town during the summer months to check on untidy properties.

The kids are out of school for the summer ...

PLEASE REMEMBER TO  
SLOW DOWN &  
WATCH FOR KIDS AT PLAY

**BYLAW 520-2020 - A BYLAW TO PROVIDE FOR THE CONTROL OF ALL-TERRAIN VEHICLES WITHIN THE TOWN BOUNDRIES**

1. a) The operator is in the act of taking the most direct route to or from his point of origin within the Town of Star City corporate limits to a point outside the Town of Star City corporate limits (direct in direct out). All-Terrain Vehicles are not to be used as a mode of transportation within the Town of Star City.

To view the full bylaw please visit our website at [www.townofstarcity.com](http://www.townofstarcity.com) or call the town office for more information.

Please be mindful when having a backyard fire and watch the weather carefully (i.e windy, dry conditions, etc.) Be considerate of your neighbors as smoke from campfires can sometimes be a nuisance to others. Please keep watch of your fire at all times and have a way to put out the fire close to your firepit (watering hose or bucket of water).

Have fun & stay safe.

A heartfelt thank you to all the drivers who see people walking or jogging along the roadsides in and near town who slow down and/or move well over. I at least, am not worried about getting hit by a vehicle, though some do come awfully close, but am concerned about getting sprayed by gravel coming off tires, The gravel can sting or even cut if they come off the tires of a vehicle traveling close enough or fast enough. Thanks for giving those of us on foot your courtesy.

Thank you,  
Henry Jespersen
