Compost bags are available free of charge at the Town Office. **Please keep them at a manageable weight** and remember no rocks or garbage! Compost is scheduled to be picked up Monday & Wednesdays (if time & weather permits)

Branches should be stacked on the boulevard piled parallel to the road in no more than 8-10 foot lengths. The reason we like to have them alongside the boulevard is for easy access and removal. Removal with the skid steer can damage boulevards so keeping them on a harder surface makes it easier

ATTENTION DOG OWNERS!!

We have had many complaints about dogs running at large. **Please be advised that your animal must be kept on your own property. Please keep your pet(s) on a leash while out walking.**

If you are walking your animal and they defecate, you are expected to pick it up and dispose of it in a sanitary manner. If your animal excretes on your neighbor's property, you can be held responsible for removing it. Thank you for being a responsible pet owner.

The Town Office is offering dog waste bags to encourage pet owners to pick up after your pets.
Come grab a roll today!

Community Pride Starts at Home! We are fortunate to have many visitors over the summer months. And while it is nice to show off our community to them, let's also remember that 'we' see it every day. Let your pride show and trim up your yard, paint the fence or do whatever it is that you've been putting off. Let's show our visitors and each other, that we are proud of our little piece of the universe. Commissionaires will be visiting town during the summer months to check on untidy properties.

THANK YOU!

Sending out a **Thank You** to everyone in our small community who helped neighbors, friends & family after Saturday night's windstorm.

Would also like to send out a **Thank You** to Trevor & Patrick (Public Works) who came in over the weekend and helped clean up trees & branches after the storm. Your efforts are greatly appreciated!

METAL PICK UP

The Town will be collecting metal again during the month of August. If you have any scrap metal, old water heaters, furnaces, fridges, deep freezers, lawnmowers, etc. that are cluttering up your yard ... this is the time to get rid of them! If you are needing help hauling metal items away, please contact the Town Office to arrange for pick up @ 863-2282.
