More details to follow in July's Newsletter,
on our Facebook page & on the town's website.

BYLAW 520-2020 - A BYLAW TO PROVIDE FOR THE CONTROL OF ALL-TERRAIN VEHICLES WITHIN THE TOWN BOUNDRIES

1. a) The operator is in the act of taking the most direct route to or from his point of origin within the Town of Star City corporate limits to a point outside the Town of Star City corporate limits (direct in direct out). All-Terrain Vehicles are not to be used as a mode of transportation within the Town of Star City.

To view the full bylaw please visit our website at www.townofstarcity.com or call the town office for more information.

Compost bags are available free of charge at the Town Office. **Please keep them at a manageable weight** and remember no rocks, dog waste or garbage! Compost is scheduled to be picked up Monday & Wednesdays (if time & weather permits)

Branches should be stacked on the boulevard piled parallel to the road in no more than 8-10 foot lengths. The reason we like to have them alongside the boulevard is for easy access and removal. Removal with the skid steer can damage boulevards so keeping them on a harder surface makes it easier for everyone.

COMMISSIONAIRE VISITS

The Bylaw Officer/Commissionaire will be randomly checking for pet licences & driving around doing yard inspections during the monthly visits.

Please make sure your pet's tags are up to date & you are keeping your properties neat & tidy. Thank you.

Please be mindful when having a backyard fire and watch the weather carefully (i.e windy, dry conditions, etc.)

Be considerate of your neighbors as smoke from campfires can sometimes be a nuisance to others. Please keep watch of your fire at all times and have a way to put out the fire close to your firepit (watering hose or bucket of water).

Have fun & stay safe.

METAL PICK UP

The Town will be collecting metal again during the month of June.

If you have any scrap metal, old water heaters, furnaces, fridges, deep freezes, lawnmowers, etc.

that are cluttering up your yard ... this is the time to get rid of them! If you are needing help hauling metal items away, we will have a few days dedicated during the month of June for pick up. Please contact the Town Office at 306-863-2282 for more information.

ATTENTION DOG OWNERS!!

We have had some complaints about dogs running at large. Please be advised that your animal must be kept on your own property. Please keep your pet(s) on a leash while out walking.

If you are walking your animal and they defecate, you are expected to pick it up and dispose of it in a sanitary manner. If your animal excretes on your neighbor's property, you can be held responsible for removing it. Thank you for being a responsible pet owner.

The Town Office is offering dog waste bags to encourage pet owners to pick up after your pets.

Come grab a roll today!

The Star City Rec Board is now accepting applications for: local community group funding requests for Saskatchewan Lotteries Community Grant Fund.
