## Star City Community Pantry

Open from 3pm-4pm the first and third Thursday of every month.

The Star City Community Pantry is run by volunteers, and is available to anyone of Star City who finds themselves in need of food. On a Pantry day, up to eighteen people can receive food.

The United Church shouts out a big "thank you" to those who are giving donations to the Star City Community Pantry! The increased donations are so very much appreciated by everyone involved with the Pantry.

Please remember: Do not come to the Pantry if you are sick with cold or flu; abusive behaviour and rude language are absolutely not tolerated.

## WINTER REMINDERS!!

Please remember the following during the winter months ...

~ Park vehicles in driveways and NOT on the streets or boulevards during winter months to ensure the grader can get through for snow removal. If you need to park on the streets, please have your vehicle moved after a big snow fall so it does not get blocked in by the snow plow.

~ Remember to bring in your garbage/recycle bins off the streets once they have been emptied to allow for the proper snow removal

~ When removing snow from your property, please be considerate of your neighbors and do not blow into their yards. Also do not push snow onto the streets from your driveways/walkways.

~ The driveway wing, when lowered should reduce the amount of snow left on driveway approaches but it will not eliminate a snow ridge. Unless this ridge is quite significant (more than 12 inches) staff will not return to remove it - this also applies to the ridges left in the back alley. Anything less than 12 inches is to be removed by the homeowner.

Please take a moment to clear snow and ice from around your furnace intake and exhaust pipes. Blocked vents can cause furnaces to shut down or lead to dangerous carbon monoxide buildup. Keeping the area clear helps your heating system to run safely and efficiently during the colder temperatures.

## STAR CITY LIBRARY

To show our appreciation for everyone who visits and uses the Library, we're continuing our monthly draws. Anyone who comes in and checks out an item—whether it's a DVD or a book—will have their name entered into a prize draw. Each visit earns another entry, so the more you check out items, the better your chances of winning.

It's our way of saying thank you for supporting your Library and keeping our shelves, computers, and programs busy. We love seeing you walk through the doors.
