MEETING DATE CHANGE!

now be held on
TUESDAY, MARCH 12TH
@ the Star City Town Office**

A MESSAGE FROM THE MAYOR

On the morning of February 15, we knew we had a water break; unfortunately, the water was not surfacing but entering the sewer system. By mid-morning a second break occurred which was much larger.

Due to the amount of water loss, it was having adverse effects on the lift station and water plant. We had to shut down the water plant until we could locate these breaks. By periodically turning water back on, we located the breaks and did the necessary repairs.

On February 25, we had another water break which was located and repaired.

I would like to thank the community for their patience and understanding during this time.

A special Thank You to the public works and office staff, councillors and community members for working together to resolve these matters. It was a team effort.

**WATER BILLS ARE DUE THE 15TH
OF EVERY MONTH. ●
PLEASE KEEP YOUR ACCOUNT CURRENT.**

The Town of Star City would like to update their customer contact information. As many homeowners many have discontinued land lines and are utilizing cell phones as their main contact, we do not have up-to-date information for some of our customers. This will help the office contact you regarding any local advisories, short notice water shut offs, etc. Please ensure the Town Office has your most up-to-date contact information.

**PLEASE ENSURE YOUR MOVING YOUR
