## 2023 NEWSLETTER

Next council meeting is  
**May 8th @ 4:30pm**

The Town Office will  
 be closed on Monday, May 22<sup>nd</sup>

Have a happy & safe long weekend.  
**Happy Victoria Day!**

Spring has sprung and the Town is once again picking up compost and tree branches in an effort to keep the Town looking neat & tidy. This service is provided free of charge however please note that our Public Works staff are busy during the summer months, so a limited amount of time is assigned for this task. Monday & Wednesday mornings (if time & weather permits) have been designated for compost & tree branch pick up. If you have an excess amount of trees and/or compost, please contact our office to make arrangements to have them removed. Additional charges may apply. **Just a reminder NOT to put dog waste into the compost bags – it belongs in the garbage!**

As a reminder compost bags are available free of charge at the Town Office. **Remember to keep compost bags at a manageable weight and remember no rocks or garbage!** Bags the contain garbage WILL NOT BE PICKED UP! Please put compost in clear bags and not in boxes!

Branches should be stacked on the boulevard piled parallel to the road in no more than 8-10-foot lengths. The reason we like to have them alongside the boulevard is for easy access and removal. Removal with the skid steer can damage boulevards so keeping them on a harder surface makes it easier for everyone.

**\*\* REMINDER NOT TO PRUNE ELM TREES FROM  
 APRIL 1<sup>ST</sup> – AUGUST 31<sup>ST</sup>**

### SPRING CLEANUP TIME!

The Town will be collecting metal during the month of May. If you have any scrap metal, old water heaters, furnaces, fridges, deep freezes, lawnmowers, etc. that are cluttering up your yard ... this is the time to get rid of them! If you are needing help hauling metal items away, we will have a few days dedicated at the end of the month for pick up. Please contact the Town Office at 306-863-2282 for more information.

### COMMISSIONAIRE VISITS

The Bylaw Officer/Commissionaire will be randomly checking for pet licences & driving around doing yard inspections during the monthly visits.

Please make sure your pet's tags are up to date & you are keeping your properties neat & tidy. Thank you.

### ATTENTION DOG OWNERS!!

We have had some complaints about dogs running at large. Please be advised that your animal must be kept on your own property. Please keep your pet(s) on a leash while out walking.

If you are walking your animal and they defecate, you are expected to pick it up and dispose of it in a sanitary manner. If your animal excretes on your neighbor's property, you can be held responsible for removing it.

Thank you for being a responsible pet owner.

The Town Office is offering dog waste bags to encourage pet owners to pick up after your pets.

# PUTT N' SPLASH 2023

## A MESSAGE FROM OUR MAYOR:

Appreciation is a wonderful thing. It makes what is excellent in others belong to us as well.”  
—Voltaire

I wish to extend sincere appreciation to all those who contributed to the success of our ‘Putt n’ Splash Fundraiser. This fundraiser did not happen without the dedicated contribution of a few key people, whom I won’t name individually, in case I leave someone out. But you know who you are! The idea to fundraise, ensuring sustainability for the Star City Community Arena started at the Council table; moved from there to an Operations Committee, comprised of interested and invested people from both Rural and Star City town residents - being formed; Eventually that committee saw the formation of a sub committee, known as the 2023 Fundraising Committee. What started as a concept, quickly took on a life of its own and became the success that it was. A huge thank you to Brent Sutton who chairs both the Operations Committee and the Fundraising Committee. As well, we wish to recognize the contributions and financial donations of business’s and individuals that didn’t wait to be invited to join in to make this event a success; but stepped up on their own. Thank you too to those who contributed hours of volunteering and promotion of the Star City Putt n’ Splash. It was great to see the community pull together, have some fun, and lend their expertise. It made everyone feel like the Star City Community Arena, truly belongs to all of us. You will be hearing more from the Operations Committee, as they prepare for the 2023-2024 Arena season.

Sincerely,  
Beth Baerwald,  
Mayor,  
Town of Star City
