MAIN SEWER LINE JETTING

is scheduled for Tuesday, October 11th

You may notice a slight sewer odour inside your home during this procedure. If there is a smell we recommend opening a window for a few minutes, and pouring water down sinks and floor drains to help clear it.

Sewer main cleaning helps prevent blockages and backups by removing buildup in the mains, including tree roots, grease, grit and sand. This important maintenance work keeps our sewer mains flowing, reduces the potential for nuisance odours, and helps protect our infrastructure.

The Star City Rec Board is accepting applications for:

local community group funding requests for Saskatchewan Lotteries Community Grant Fund. If you have any questions please contact Anita Tkachuk@ 306-863-2282

The Saskatchewan Lotteries Community Grant Program is a partnership among Sask Sport Inc., SaskCulture Inc. and the Saskatchewan Parks and Recreation Association Inc. and assists in the development of sport, culture and recreation programs by providing funds to non-profit community organizations operated by volunteers.
