

FRIENDS OF THE STAR CITY ARENA

QUESTIONNAIRE #2

We would like to thank everyone who completed the initial questionnaire. The feedback from the 1st questionnaire resulted in the decision to re-open the arena for the 2021-22 season. This questionnaire and the planned public engagement over the next few months will help Council develop a long range plan for the sustainability of the Star City Arena. The Town of Star City recognizes that the RM of Star City and the RM of Willow Creek are valued partners and their input is extremely important as we develop the long term plan for the arena. We would also appreciate input from all potential user groups in neighbouring communities. Thank you for taking the time to share your thoughts with us.
