SEPTEMBER

2022 NEWSLETTER

Mayor's Message

Dear Residents,

It doesn't seem all that long ago that we were anticipating hot summer days and vacations, or at the very least some well deserved time of lounging and taking in the outdoors. Well, now we are anticipating harvest, falling leaves, and the preparing of our homes and yards for what is yet to come...a season which shall at least for now, remain unnamed. As we look back over the summer, we would like to take this opportunity to thank the community for their attendance and participation in the events that we forged ahead with. Thank you for pulling together and helping to bring us all back to having a sense of community by participating in the celebration BBQ for the Town's 100th - which we had to put off due to the pandemic. Thank you for taking part in the Pancake Breakfast and the Car Show, which tied in with our Family Fun Day. And the biggest thank you to the organizers! Star City Fire Brigade, John Welton, our Town staff, and all others who pitched in to set up extra tables, cooked and cleaned ... and made these days the successes they were! To those who understand that our parks and yards are the face of our community when we come home each day, and when guests visit our town; to you, we are so very grateful. As children in our community return to school and routine, realize that they are excited and often not mindful of what's going on around them. Please slow down and watch out for their safety. It is our privilege to represent the Town of Star City, as we meet with Government officials and connect with other municipalities throughout the province, to find ways to better serve you, the residents of Star City. Know that our door is open and if you have questions or concerns, we are interested. This is not just 'our Town'... it's 'Yours too' and we can't grow and make positive change without your investment, interest, and respect. On behalf of Council, we look forward to a great fall season!

Sincerely,

Beth Baerwald,
Mayor of the Town of Star City

The next council meeting is
Monday, September 19th, 2022
4:30pm @ the Town Office

While we still have not wrapped our heads around the catastrophic events of Sept 4th at the James Smith Cree Nation, our hearts are filled with caring and compassion for all those involved.

And so it is, that we offer our sincere condolences to those who have lost loved ones, and our continued thoughts and prayers go out to all who are receiving care following this event...their friends and family.

We support and are grateful too, for the RCMP, who continue to put our safety ahead of their own. Our thoughts of support and caring also go to all the doctors, nurses, ambulance and STARS staff. We are thinking of you all.

There is so much to be learned from pulling together at a time when we feel like everything is falling apart.

On behalf of Council and the Town of Star City, we remind you to be patient...be kind...Stay safe. 🙏

LARGE GARDEN COMPOST – things such as corn stalks, sunflower stalks, rhubarb leaves, etc. that are too bulky and big to put in the clear compost bags can be neatly piled by your regular compost bags and the public work employees will pick it up with the fork. Please ensure it is piled neatly for a clean removal.

Sidewalk restoration is now complete around the Star City Community Rink & around the Town Office.

BACK TO SCHOOL
