

TOWN OF STAR CITY SEPTEMBER

2021 NEWSLETTER

MAYOR'S MESSAGE

Dear Friends,

Let me begin by saying how very proud I am to serve you as Mayor, as we work toward continued celebrations of '100 Years as a Town'.

Over the past few months our municipal staff has been busy, as they continue to make improvements; both those visual to us all, and in ways that we don't see on a day to day basis! They have been hard at work. I hope that you take a moment to say Thank you for all that they do. You likely recognized a new face travelling with Trevor and Wayne, as you may have noticed our summer student, Jesse working along side them. Thank you for a job well done Jesse. Our best wishes to you as you settle back into your studies.

Thank you to the residents that have volunteered to assist where help was needed; whether it was painting 'Our Star' on the main street, attending 'Movie night' or simply stopping by for a chat with ideas for the future. It takes everyone to create and maintain a community that cares.

It has been a challenging summer for our yards as they suffered the same drought that everyone else saw - until we received the recent rainfall. We remind you to keep your yard trimmed, and picked up. This goes a long way to show community pride!

I recently attended a two-day Mayors Summer School. It was a very worthwhile gathering, where ideas are shared, laws are reviewed, and a great deal of information is imparted. It is my intent to use this information to serve you, as the citizens of Star City.

School is going back!!! Watch out for our children and remember, they aren't always watching out for themselves. On behalf of Council and the staff, we wish everyone a great year of learning, fun and safety.

We are currently in the process of hiring for the maintenance of the Star City Rink and are looking forward to a good season, as we continue our work toward an operational and respected recreation environment.

And last, but by no means the least...I remind you all that COVID is always lurking. Please do your part to respect social distancing, hand washing and the wearing of masks.

Most Sincerely,
Beth Baerwald
Mayor,
Town of Star City

PS...watch for a new date for our Town BBQ & I hope you have ordered your new 100th Anniversary Jacket.
